

Approved For Release 2001/09/03 : CIA-RDP78-04915A000400020048-6

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Projects Review Committee

DATE: 24 August 1953

FROM : Comptroller

SUBJECT: Proposed Facilities for the Washington Depot

1. The Chief, Logistics Office has submitted the attached proposal and requests approval of \$145,080.56 for the construction of additional facilities at the Washington Depot during the fiscal year 1954.

2. It is to be noted that this proposal is over and above the \$25,000 approved 29 June 1953 (DD/A 235-53) and the \$44,448 approved 21 July 1953 or a total of \$69,448 which was also authorized for external facilities at the Washington Depot in fiscal year 1953.

3. The project can be financed from funds available to the agency within existing limitations for the fiscal year 1954.

4. If approved, it is recommended that vouchered funds be used.
